Dear Akshita

We are pleased to offer you a position as CEI (Celebal Excellence Intern) at Celebal Technologies. This is a structured, industry-focused internship designed to combine guided learning, mentorship, and hands-on project experience.

Program Overview

The CEI Internship Program is structured to provide a comprehensive and application-oriented learning experience through:

1. **Guided Learning:** Industry-aligned curriculum to build strong technical foundations.
2. **Project Experience:** Hands-on work on real-world Data Science use cases.
3. **Evaluation & Certification:** Performance-based assessment upon completion.

You will gain exposure to industry-relevant tools, real-world datasets, and mentorship from experienced professionals.

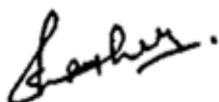

Outcomes & Benefits

1. Certificate of Completion from Celebal Technologies.
2. Hands-on project experience for portfolio development.
3. Access to expert-led sessions and industry insights.

This is a structured internship program and does not include full-time employee benefits. Exceptional performers may be considered for future opportunities with Celebal Technologies.

We are confident that this program will be a valuable step in your professional journey and look forward to your participation.

Warm regards,

Sharthak Acharjee

(Senior Manager)
